PRODUCT DESCRIPTION

This used wooden pallet can be used multiple times with proper care and has the dimensions 1200x800x155mm. This pallet is suitable for heavy loads due to its maximum load of 1000 kilograms. The pallet contains 5 top boards, 3 intermediate shelves, 9 bobbins and 3 base skids. The bobbins all have a length, width and height of 95mm. The top and bottom boards have the dimensions 1200x95x20mm. The intermediate shelves have the dimensions 95x800x20mm. The space between the spool and the board is filled by a thickness of 20mm. The total volume is 0.0305 / 30.5L NOTE: This is a used item, all used items that we sell are 100% functional! However, the photo that we display on the website does not guarantee the entire batch that we have in stock. The used products that we sell have visible user traces and wear is visible. Based on our more than 30 years of experience, we carefully sort and repair used items. Whether the optical and technical condition is sufficient for you is a personal interpretation. If you want to convince yourself that these items meet your requirements, then after making an appointment by telephone you are very welcome to visit one of our branches to view the selected product. When placing your order online you agree to the condition of the used products.
