PRODUCT DESCRIPTION

Practical order picking trolley of 1085 x 700 x 1170 mm and a load capacity of approximately 480kg. The 8 shelves each have a load capacity of 60kg and measure 600 x 400 mm, with space for a tray or box of up to 250 mm. The trolley has four white casters with 125mm diameter and bumpers for protection. The car has a galvanized finish to prevent corrosion. Please note: this order picking trolley comes complete with 8 matching Euro stacking bins with grip opening (product number 64590).

The versatile order picking trolley also comes with a number of additional options such as a scanner basket, an extra basket for general use and a hanger for a bag.
