PRODUCT DESCRIPTION

A used pallet can be used multiple times with proper care, even though we call it a single-use pallet. Due to its load capacity of up to 500 kilograms, this pallet is suitable for light carrying loads. The pallet has a dynamic load capacity of up to 400 kilograms. The dimensions of the pallet are 1200x800x (110 to approximately 125 mm height). This pallet is made up of an upper deck with five boards, three intermediate shelves, nine bobbins and three lower skids. NOTE: This is a used item, all used items that we sell are 100% functional. However, the photo that we display on the website does not guarantee the entire batch that we have in stock. The used products that we sell have visible traces of wear. Based on our more than 30 years of experience, we carefully sort and repair used items. When placing your order online you agree to the condition of the used products.
