PRODUCT DESCRIPTION

This used medium-weight pallet can be used several times with proper care. This pallet is suitable for medium-heavy loads due to its load capacity of 750 kilograms. The dimensions of the pallet are 1200x800x126mm. The pallet has seven top boards, three intermediate shelves, nine bobbins and three base skids. The pans and bobbins have a width of 75 mm. The space between the bobbin and the boards is filled by a thickness of 17 mm. The planks are also 17 mm thick and the bobbins are 75 mm thick. NOTE: This is a used item, all used items that we sell are 100% functional. However, the photo that we display on the website does not guarantee the entire batch that we have in stock. The used products that we sell have visible traces of wear. Based on our more than 30 years of experience, we carefully sort and repair used items. When placing your order online you agree to the condition of the used products.
