Product	used

PRODUCT DESCRIPTION

The dimensions of the light pallet are 1200x1000x123mm. A well-kept used pallet can be used several times. With a dynamic load capacity of up to 500 kilograms and the ability to approach the pallet from 4 sides, this is a highly functional pallet. The pallet has 7 upper shelves and an all-round lower deck. The pallet is made from Central European spruce wood. The top shelves have the dimensions 1200x75x16mm and the intermediate shelves have the dimensions 75x1000x16mm. The lower deck contains 3 shelves with the dimensions 1050x75x16mm and 2 shelves with the dimensions 75x1000x16mm. The space between the spool and the board is filled by a thickness of 16 mm. The outer bobbins have a size of 125x75x75 and the middle bobbins have a length, width and height of 75mm.3 / 27.7L. NOTE: This is a used item, all used items that we sell are 100% functional. However, the photo that we display on the website does not guarantee the entire batch that we have in stock. The used products that we sell have visible traces of wear. Based on our

more than 30 years of experience, we carefully sort and repair used items. When placing your order online you agree to the condition of the used products.
