PRODUCT DESCRIPTION

Used Düsseldorfer Pallet - 800x600x120mm

Description

Used, very strong display pallet with dimensions of 800x600x120mm. Usually used to present products directly in a store. The pallet has a load capacity of approximately 1000 kilograms and can be used in a heavy industrial environment due to the high load capacity. The pallet is made of Central European spruce wood with metal bobbins for multiple uses. Also good to use in a pooling system, due to the standardised dimensions and specifications.
