PRODUCT DESCRIPTION

One medium wooden pallet 1200x1000x136mm - fiber spools

One-off medium-heavy wooden pallet, but with a proper care several times usable. The dimensions are 1200x1000x136mm. The single pallet is used mainly in exports where fast delivery cheap central. A well-kept-off pallet can be used several times. With a dynamic load-bearing capacity of 750 kg, and the ability to approach the pallet of 4 sides, this is a highly functional pallet. The pallet is made from Central European spruce wood. To transport to allow non-EU wood treated according ISPM 15 regulations and artificially dried back to a moisture content of & lt; 25%. In addition, the pallet has 9 above, and a circumferentially extending lower deck boards.
