### TECHNICAL DATA

<b>Product</b>	new
<b>Material</b>	PE
<b>Outside dimension length</b>	750
<b>Outside dimension width</b>	795
<b>Outside dimension height</b>	165

### PRODUCT DESCRIPTION

Universal modular ramp plateau can be used with our other product (article 20850) to create slopes of various sizes to allow easy access to drip trays and other storage containers. This platform has an intergrated locking system which ensures that you can walk over it safely with a hand truck without the slope moving. This product is made from high quality plastic and is completely resistant to chemical liquids. Dimension are 795x750x165mm.
