PRODUCT DESCRIPTION

Robust Pallet - 1200x800x150mm - PP Recycled Plastic

This grey Euro format pallet of 1200x800x150mm is very robust with a weight of 14kg and therefore suitable for heavy work. Therefore, this pallet can also carry 3000kg statically. In addition, the pallet is equipped with a raised edge that reduces the chance that cargo can slide off. Plastic pallets are very suitable for use on conveyor belts due to their precise dimensions and relatively small margin of error. Due to its robustness, this pallet is suitable for various sectors: food, pharmacy and

industrial use are no problem.
