PRODUCT DESCRIPTION

This plastic display pallet has a lower deck consisting of nine legs and a gridded upper deck. The dimensions are 1200x1000. Because this plastic pallet is nestable, a lot of space can be saved in storage and transport. Because you can save space in transport, you will also save money. The pallet has been used. The plastic pallet is made of HDPE plastic. HDPE plastic is a safe material that is excellent for recycling, as it can be melted down. NOTE: This is a used item, all used items that we sell are 100% functional. However, the photo that we display on the website does not guarantee the entire batch that we have in stock. The used products that we sell have visible traces of wear. Based on our more than 30 years of experience, we carefully sort and repair used items. When placing your order online you agree to the condition of the used products.
