PRODUCT DESCRIPTION

With these 4 multiplex dividing walls, you can create 8 compartments within a pallet collar in no time. The multiplex dividers consist of one partition wall of 1150 x 9 x 195mm and three partition walls of 750 x 9 x 195mm. The walls are provided with a number of slots, depending on the desired partitioning. Handy for organizing products on a pallet and keeping them apart.

Please note: you only buy the divider, the pallet collars are available separately.
