PRODUCT DESCRIPTION

This pallet collar is suitable for a wooden pallet of 1200x1000mm. With this add-on edge, you can easily transform your pallets into wooden boxes. During return transport or in storage when they are not in use, you can save a lot of space compared to traditional pallet collars or fixed pallet boxes. The add-on edges can be stacked to make higher boxes. The collars are equipped with 6 hinges as can be seen on the accompanying photo. Thanks to these 6 hinges, they can be folded in compact and easy to tidy up, so that they take up virtually no space in storage.
