PRODUCT DESCRIPTION

The wooden MP Box converts a pallet into a small wooden box and is also stackable to add extra height. The box is made of high quality Northern European pine and galvanised steel hinges. The box is easy to assemble and attach to the pallet and is also easy to collapse down to save space and store away. The MP Box has outside dimensions of 1200x1000x400mm, internal dimensions of 950x1150x800mm and the gap between each board is approximately 85mm. This product is compliant with the ISPM15 regulations.
