Material	Wood
Outside dimension length	1200
Outside dimension width	800
Outside dimension height	700
Type	Wooden collars
Product	new

PRODUCT DESCRIPTION

The MP Box converts a pallet into a wooden slatted box and is also stackable to add extra height of up to 5 crates. The box is made of high quality wood and galvanised steel hinges. The box is easy to assemble and attach to the pallet and is also easy to collapse down to save space and store away. The MP Box has the euro outside dimensions of 1200x800x700mm, internal dimensions of 1150x750x800mm and the gap between each board is approximately 85mm. This product is compliant with the ISPM15 regulations.
