PRODUCT DESCRIPTION

Danish Plant Container Trolley with 3 Shelves - 715x565x1250mm.

Description.

Danish plant container trolley is made with a hot-dip galvanized steel frame and 3 shelves of water-resistant plywood with a galvanized metal edge. The outer dimensions are 715x565x1250mm and the dimensions of the shelves are 715x565mm. The weight is 18kg which includes the base, 4 uprights and 3 shelves.

This trolley is suitable for displaying or storing products, the plate spacing can be changed from 5 to 180cm so that the height between the plants can be adjusted to requirement. The wheels of the Danish trolley have a wheelbase of 125mm with a PA plastic tread and a steel frame. The wheel revolves around a needle bearing.

The Danish Plant Container Trolley is also available in a [larger 1350x565x1900mm trolley](#) or [a taller half trolley with dimensions of 715x565x1900mm](#).

The plant container is regularly referred to as the Danish trolley or flower trolley and we deliver this trolley as standard with 3 shelves of 5-layer waterproof plywood, of which, more shelves can be ordered separately. The Danish plant trolley is designed in such a way that specific requirements according to horticulture are met. Size, weight, stackability and quality have been considered here. The metal parts are galvanized and the wood of the shelves is 5-layer water-resistant plywood. The flower trolley is known for its easy and user-friendly manoeuvrability and is easy to transport because it is fully collapsible. Size, weight, stackability and quality have been considered here.

The smaller size flower trolley or plant container trolley is very popular within the Horticulture sector, especially with Garden Centres and Nurseries that are moving large quantities of flowers and plants on a daily basis. The flower trolley shelves can be set at different levels depending on the flowers and plants that are being stored. The plant container trolley is also very useful as a flower display trolley so that customers can easily see your stock.
