PRODUCT DESCRIPTION

Anti-theft roll container 1200x800x1800mm

This metal antitheft roll container is nestable, roll container of this construction takes this up less space. Saving space plays a role in the storage and transportation. The roll containers are cheaper to transport

when they are nested because you can carry more carts in a trailer. You can close the cart for storage or transport of valuables he is lockable with a padlock (not included). The trolley has a 2-piece door. The dimensions of the container are 1200x800x1800mm. The internal dimensions are 1100x750x1500mm. The grid size is 100x50mm. The entire trolley is zinc plated and has two fixed and two swivel casters. The wheels are provided with a rubber tread blue. The wheels are thus no marking on the ground.
