**PRODUCT DESCRIPTION**

**Wood dolly 720x480mm - non-slip rubber top layer**

Wood dolly with a fully enclosed tray which is provided with a blue rubber anti-slip lining. Suitable for plastic bins or boxes with dimensions 600x400mm and is moving dolly called dog furniture. The payload of the dolly is 350 kilograms. Provided with 4 white PP castor wheels, making them very pleasing for use as a furniture dog during moving or the movement of large objects. As the dolly is provided with the anti-slip coating, this dolly will not easily move shooting out of objects. Blank dollies / furniture dogs can be stacked in order to save space.
