PRODUCT DESCRIPTION

Dolly transport cart - 780x480x150 rubber wheels

Durable and maneuverable transport cart with a load capacity of 500kg. Four sets of wheels with a diameter of 100mm made of rubber - they are quiet and suitable for delicate surfaces.

The use of four sets of swivel wheels ensures high maneuverability and maneuverability in small spaces. The non-slip carrying surface provides a secure base for stacking plastic distribution containers.

Ideal for transportation during a move

This typical low platform cart is a staple in all office, school or warehouse removals.
