PRODUCT DESCRIPTION

Dolly for transporting desks and tables - 780x480x880mm nylon wheels

Durable and maneuverable transport cart with a load capacity of 500kg. Four sets of wheels with a diameter of 100mm made of nylon provide low rolling resistance.

Maneuverable and efficient

The use of four sets of swivel wheels ensures high maneuverability and maneuverability in small spaces. The 740x480mm non-slip carrying

surface provides a secure base for transporting desks and tables.

Ideal for transporting desks and tables.

Ideal for transportation during a move

This ergonomic platform cart is the basis in all removals of offices, schools or warehouses. Thanks to a special handle, it allows vertical transport of desks, tables and tops when their normal transport is not possible. The maximum height of the tabletop when placed on its side is 150 mm.
