PRODUCT DESCRIPTION

Dolly for transporting desks and tables - 780x480x880mm rubber wheels

Durable transport cart with a load capacity of 500kg. All four swivel castors with a diameter of 100mm and are made of rubber - they are quiet and suitable for delicate surfaces.

Turnable and efficient

The use of four sets of swivel casters provides high maneuverability and maneuverability in small spaces. The 740x480mm non-slip carrying

surface provides a secure base for transporting desks and tables.

Ideal for transporting desks and tables.

Ideal for transportation during a move

This ergonomic platform cart is the basis in all removals of offices, schools or warehouses. Thanks to a special handle, it allows vertical transport of desks, tables and tops when their normal transport is not possible. The maximum height of the tabletop when placed on its side is 150 mm.
