PRODUCT DESCRIPTION

Nestable metal 3-roll container 820x655x1900mm witch

Galvanized metal 3-witch roll container with two side rails, and the first tailgate. The roll container is in the used condition, and provided with a tensioning band. The trolley has a closed plywood floor, 2 swivel

and 2 fixed castors. Thus the cart is very versatile and easy to use. The nest structure can save space during return transport or when in storage and not in use. With a payload of 600 kilograms ideal for transporting heavy loads. Size 820x655x1900mm. The own weight of the container is from 35 kilograms.
