PRODUCT DESCRIPTION

This picking trolley is very popular with businesses who are required to pick multiple orders around the warehouse. The trolley is made from BZP (Bright Zinc Plating) box construction steel and has a strong but lightweight design. The trolley comes complete with a scanner basket, bag hanger and separate basket. The trolley has 4 white PP swivel castors and also has rubber buffer wheels on the corners. The trolley can store 8 trays or boxes and the shelves have dimensions of 600x400mm with a maximum height of 250mm. This allows you to use a number of different trays or boxes depending on the style you require.
