PRODUCT DESCRIPTION

This picking trolley is very popular with businesses who are required to pick multiple orders around the storeroom or warehouse. The trolley is made from BZP (Bright Zinc Plating) box construction steel and has a strong but lightweight design. The trolley comes complete with a scanner basket, bag hanger and separate basket. The trolley has 4 white PP swivel castors and also has rubber buffer wheels on the corners. The dimensions of the trolley are 1085x700x1170mm.

The trolley can store 8 trays or boxes and the shelves have dimensions of 600x400mm with a maximum height of 250mm. This allows you to use a number of different trays or boxes depending on the style you require. This bundle is provided with 8 Grey Stack and Nest Boxes so that you can start collecting orders or products straight away. Sometimes depending on availability, we may use different colour boxes to complete the product bundle. The Stack and Nest Boxes provided also have an open handle and can be used without the trolley if you require. The dimensions of the Stack and Nest boxes are 600x400x220mm and have the SKU code: 69721.
