PRODUCT DESCRIPTION

Shelf plastic for 2-witch roll containers

Red shelf that can be used as an addition in combination with a 2-sided roll container with a base of 810x620mm. The intermediate grid allows for several floors and thus the space of the roll container can be used better. This shelf can be loaded with a maximum of 150kg. The dimensions of the shelf are 810x620x55mm. Easy to install and take out.
