PRODUCT DESCRIPTION

Lashing strap to be used in combination with all roll containers in our range. Prevent your products from falling off the roll container with these textile binders. The binder has a length of 1 meter and a width of 40 mm, with a maximum span of 820 millimeters. Easy to adjust to the right size. Completely made of Textile / PP (plastic). Thanks to a loop and a hook (4 mm), the binder is easy to attach to any roll container. Quick and efficient! View our full range of roll containers here .
