PRODUCT DESCRIPTION

Strap for roll containers - 775x40mm - Black, clamping buckle

Black strap can be used in combination with all roll containers in our range. Prevent your products from falling out of the roll container with these binders. The binder has a length of 775mm and a width of 40mm, with a span of 1100mm. Easy to adjust to the right size. Made entirely of elastic rubber. Thanks to a loop and a hook, the binder is easy to attach to any roll container. Fast and efficient product.
