PRODUCT DESCRIPTION

Plastic Pallet Box - 1211x811x902mm - 590 L - Foldable

This foldable pallet box for heavy industrial use is ideal for bulk storage of goods. The outer dimensions (with lid) are 1211 x 811 x 902 mm and the inner dimensions (with lid) are 1130 x 730 x 715 mm. The capacity is

590 litres and the weight is 29.9kg. When folded, the dimensions are 1211 x 811 x 322 mm. The pallet box saves space and costs when folded as the box offers 64% space savings.

The maximum stackable load is 600kg and the maximum racking load is 300kg. The material of the wall consists of PP plastic and the material of the pallet and lid consists of HDPE plastic. The box is extremely strong and therefore suitable for heavy industrial use, provides excellent protection, is accessible from four sides and gives extra flexibility in handling. The temperature range is from -20°C to 40°C.

This variant comes with a lid.
