PRODUCT DESCRIPTION

Agri crate 600x400x140 mm - Virgin HDPE

Agri crate, also called agricultural crate, made of HDPE plastic in a fresh green colour. The external dimensions of this box are 600x400x140mm and the inner dimensions are 565x365x125mm. The crate may be in direct contact with foodstuffs, making the agri crates good to use, for example, as fruit trays or as fruit crates. The crates can withstand temperatures down to -20 °C.

Its weight is 1.34kg and its volume is 26L. This plastic container is extremely suitable for the agricultural sector. The stacking bin has a perforated bottom and side walls and has two open handles. The maximum load capacity is 25kg.
