**PRODUCT DESCRIPTION**

**Plastic Agri Crate - 500x300x200mm - 23 L - Perforated**

The Agri crate is also called and agricultural or fruit crate that is made of virgin HDPE plastic, in a standard terracotta colour. Good to use as fruit containers or as fruit crates. The outer dimensions of this box are 500 x 300 x 200mm and the inner dimensions are 461 x 265 x 195mm. The weight is 1.17kg and the volume is 23 litres. The crate may be in direct contact with food products. In addition, the crate has a temperature range up to - 20 °C.

This plastic container is ideal for the agricultural sector. The stacking box has a perforated base and side walls and two open handles. The maximum load capacity is 25kg. 88 pieces of this stacking crate will fit on a pallet of 1000 x 1200 mm (height of the pallet 2200 mm).
