## PRODUCT DESCRIPTION

### Nestable and stackable plastic tray 400x300x260mm - 2-piece hinged lid

## Description

Nestable and stackable plastic tray is provided with a two-piece hinged lid. The container has the following external dimensions 400x300x260mm, the internal dimensions are 355x265x243mm. The side walls and the bottom of the container are entirely closed with a capacity of 25 liters. When the lid is closed, you can stack the boxes and with an open lid, these plastic containers nestable so you can save space

during transport or storage.
