PRODUCT DESCRIPTION

Nestable and stackable plastic tray 600x400x400mm - 2-piece hinged lid

Description

Nestable and stackable plastic tray is provided with a two-piece hinged

lid. The container has the following external dimensions 600x400x400mm, the internal dimensions are 521x343x375mm. The side walls and the bottom of the container are entirely closed with a capacity of 70 liters. When the lid is closed, you can stack the boxes and with an open lid, these plastic containers nestable so you can save space during transport or storage.
