### PRODUCT DESCRIPTION

## Pallet box 800x600x640 mm - with wheels

This pallet box is very manoeuvrable thanks to the 2 fixed castors and 2 swivel castors. The sides are completely smooth and easy to clean. The external dimensions are 800x600x640mm and the inner dimensions are 770x570x445mm. The capacity is 195L with a maximum load weight of 100kg. The pallet box has a weight of 7.7kg, including the wheels. The box is extremely strong and therefore suitable for heavy industrial use, and also provides excellent protection. All sides are closed so no chance of leaks.
