PRODUCT DESCRIPTION

Construction Trolley Matador Type NST200XL CT, cross 400x240mm - Leak-proof tires

Solid construction hand truck with fixed pitch from the new NST-FIT series of Matador. The overall dimensions are 1100x585x500mm. The dimensions of the stitch is 400x240mm. The weight of the truck is 13,4kg. The maximum load-bearing capacity of such a hand truck is 350 kg. This trolley is provided with 2 firm, leak-proof wheels. The special construction of the oval tube ensures a better distribution of pressure, and more stability. The truck comes with handles of natural rubber (warm in winter, absorbent in summer). No solvents are used in environmentally friendly and durable powder. Top quality.
