Carry weight	250

PRODUCT DESCRIPTION

This Matador table trolley HX-808E is made of aluminum and plastic. The dimensions are 850 x 480 x 950 mm and the dimensions of the shelves are 680 x 450 mm. The distance between the shelves is 550 mm. The push handles are high and the load capacity of the warehouse trolley is a maximum of 250 kilograms. The serving trolley is made in such a way that each loading surface can carry 125 kilograms. This platform trailer is extra light due to its own weight of 11 kilograms. The rubber wheels dampen noise and two of the four wheels have a brake. This trolley is of top quality and is suitable for maneuvering through narrow aisles. The color of this warehouse trolley is black.
