PRODUCT DESCRIPTION

Ideal, ultra stable hand truck with a fixed base plate from the new NST series by Matador with ergonomic rubber handles. This hand truck is entirely made of aluminum. Total dimensions are 450 x 585 x 1100mm. The size of the base plate is 400 x 157mm. The unit weight of the hand truck is 9.8 kilograms. The maximum load capacity of this hand truck is 350 kilograms. This hand truck is equipped with 2 sturdy, leak-proof wheels. The flat tube provides a better pressure distribution. Furthermore, this hand truck is equipped with an extra wide wheelbase for more stability.
