PRODUCT DESCRIPTION

Sturdy door and plate roller from Matador with a black core and light grey tread made of puncture-proof PU. The diameter of the wheel is 260mm. The dimensions of the clamp are 390 x 170 x 206 mm. This plate roller has its own weight of 7 kg. The maximum carrying weight of this M-plate roller is 300kg. This plate roller is suitable for transporting large plates or doors, so you no longer have to lift heavily. To prevent damage, the inside of the clamp is finished with a sturdy felt layer. The clamp has a Matador grey powder coating.
