PRODUCT DESCRIPTION

Brake set with foot control for the Prestar trolley NG-401-8inch. The total size of this brake set is 745x210x70mm and the weight of the brake set is 4.6kg. This brake set is very easy to assemble and can therefore be applied at any time. The brake set is also easy to operate: with just a press on the foot pedal, the brake pads on the left and right wheels are put in the parking position. To release the brake, only a push on the release button is sufficient.
