PRODUCT DESCRIPTION

Platform Trolley - 710x450x1150mm - Foldable, Open Push Handle

Description.

This platform trolley, also called a pushcart, has the dimensions 710x450x1150mm. The platform trolley has a height of 146mm and the push handle is high. The platform trolley has a maximum load capacity of 150kg and its own weight is 9.5kg. The warehouse trolley has 2 swivel and 2 fixed wheels with a diameter of 100mm, which are silent and leave no markings on the floor. No tools are required to fold this extra-large warehouse trolley. In addition, this platform trolley has an anti-slip layer, so that products remain on the trolley. This platform trolley is of top quality and suitable for intensive use.

Matador is a European top brand, produced on Dutch soil. This product is a long-term investment made for intensive daily use.
