PRODUCT DESCRIPTION

Platform Trolley - 900x600x1000mm - Foldable, Open Push Handle

Description.

This platform trolley, also called a pushcart, has the dimensions 900x600x1000mm. The platform is at a height of 170mm and the push handle is high. The platform trolley has a maximum load capacity of 300 kilograms and its own weight is 14.5kg. The warehouse trolley has 2 swivel and 2 fixed wheels (diameter 130 mm) that are silent and leave no markings on the ground surface. No tools are required to fold this extra-large warehouse trolley. In addition, this platform trolley has an anti-slip layer, so that products remain well on the trolley. Because this warehouse trolley is so light, it is even easier to transport objects. This platform trolley is of top quality and suitable for intensive use.

Matador is a European top brand, produced on Dutch soil. This product is a long-term investment made for intensive daily use by professionals.
