### PRODUCT DESCRIPTION

Furniture dolly made of plywood with a black rubber anti-slip coating and rubber bumpers all around. The rubber bumpers of this furniture dolly prevent you from damaging doors or frames. Suitable for plastic boxes or crates with dimensions 600x400mm and as a moving doll. The loading platform is 600 x 350 mm and the load capacity of the furniture dog is 300kg. Equipped with grey thermoplastic rubber wheels of 100mm with ball bearings, the wheels are streak-free on every subfloor when you move the rolling platform. The unit weight is 6.5kg. Because the dolly is equipped with a rubber anti-slip lining, this furniture dolly will not slip under the objects to be moved. Empty dollies can be stacked to save space.
