PRODUCT DESCRIPTION

Folding metal structure wall 1200x800x800mm

New collapsible and stackable metal wire stacking frame, galvanized, 800mm high, for our Euro format pallets. Grid Size of the walls 100x100x4mm. also has a hinged window on the long side. Because this structure is collapsible wall allows you to save space when not in use during return transport or storage. If this metal pallet edge is placed on your palette can easily stack another pallet. Transportation within and outside the EU may, no heavy metals in it.
