PRODUCT DESCRIPTION

Collapsible metal attachment frame
1200x800x800mm

Collapsible and stackable metal wire pallet collar with dimensions of 1200 x 800 x 800mm, suitable for euro and industrial pallets. The dimensions of the grids are 100 x 100mm. The add-on wall has a hinged window on the long side. Because this wall is collapsible, you can save space during return transport or in storage. If this metal pallet edge is placed on your pallet, you can easily stack another pallet on it, the maximum stack height is 4 pieces. Its own weight is 24.5kg and the maximum capacity is 1000kg. The color is blue RAL 5012.
