PRODUCT DESCRIPTION

Wire pallet collar with V opening - 1200x1000x800mm

This folding wire wall has a size of 1200x1000x800mm. The mounting wall is made of metal and has a weight of 23.5kg. The wire wall has 4 stacking feet and is foldable. Create a pallet box in the blink of an eye by placing this wire mounting wall on a 1200x800mm pallet.

In addition, there is a long side with a V-opening at the front. 3 extension walls can be stacked on top of each other, whereby the lower wall can bear a maximum of 1000kg. This product is available in the color RAL 5012 blue.
