PRODUCT DESCRIPTION

Display pallet 800x600x126 mm - ISPM 15

Single-use light chipboard pallet with an ISPM 15 treatment and artificially dried in certified drying and treatment rooms for wooden packaging. The dimensions are 800x600x126mm. Usually widely used in export and to be able to present products directly in a store. The pallet has a dynamic load capacity of approximately 250kg. The pallet is made of Central European spruce wood.
